Riders relinquishing their ride to observe

Any rider that is prepared to give up a ride in a championship trial when the club is short of observers will be awarded 10 points towards their championship total. This can be done two times per rider within any championship year.

Championship scoring / positions

To try to make our championship slightly more competitive we plan to change the current scoring system to the following format:

Points scoring

1 st place	- 20	2 nd place	- 17	3 rd place	- 15
4 th place	- 14	5 th place	- 13	6 th place	- 12
7 th place	- 11	8 th place	- 10	9 th place	- 9
10 th place	- 8 etc	down to 3 for all other finishers, 1 point awarded for retirement.			

All riders relinquishing a ride in a championship trial to observe - 10 points.

Championship points are subject to club membership being renewed by the 3rd round.

New Membership Forms

We have organised a new membership form for 2016, which will help us build up rider information so that we can keep you informed of any changes to our events. The cost of our membership remains at £5 for 2016.

We would like to take this opportunity to thank all of the riders for their ongoing commitment and support to the club and a big thank you to all the observers, we could not enjoy our sport without them. The 2015 championship has been another good year and we look forward to some great events in 2016.
